Our Semi-Annual Sale of Muslin Underwear Begins Saturday, Jan. 21

The Hunt idea of a Muslin Underwear Sale is to give the best values possible and not to see how close one can come to the danger line of inferior goods for the purpose of offering showy looking garments eemingly low price—garments that would be dear at any price.

Consequently the fabrics used in this underwear are the best the factories can give. Every garment length and width-no skimping of material to skimp price.

Buttons are sewed on firmly, buttouholes are well worked. Laces and embroideries are securely joined. We invite minute criticism of material, workmanship and price. For similar qualities our prices on Muslin Underwear are the lowest to be found anywhere. This is a well known fact but it is worth reneating.

Maysville Business Men Get Busy and Organize Industrial Union to Boom Maysville

Maysville made a good beginning last night when the plans were laid for the permanent organization of a "Business Men's Club."

The meeting resulted in the election of Mr W. Holton Key, Chairman, and Mr. W. W Ball, Jr., Secretary.

The meeting had not been advertised and the gathering for a starter, was an impromptu affair, with the following present:

David Hechinger, Lewis Merz, S. P. Browning, R. B. Owens, Mayor J. W. Lee. M. F. Coughlin, W. Holton Key. W. W. Ball, Jr.,

The Club will meet again next Wednesday night at W. Holton Key's office. Every member present was appointed a separate Committee to solicit the business men of Maysville to join the new organization, which has for its object the betterment, the building up and the commercial development of Maysville.

The membership should reach 150 at least in the next ten days, when another meeting will be held and the permanent organization effected, and the definite scope of the work mapped out and agreed upon.

"REST ROOM"

Set Aside at High School For Lady Teachers—Handsome **Furnishings**

When our High School was planned by the Board of Education they very wisely supplied a "rest room" on the first floor, to be used by the lady teachers and pupils in case of accident or sickness. This room has been unfurnished until the present time, but, thanks to the Lecture Committee, of which Mr. Robert A. Cochran is Chairman, it has been completely furuished. The walls have been tinted, the floor has been waxed and a beautiful rug placed upon it. The furniture consists of weathered oak "Mission" -a settee, two large rockers, two small rockers, two chairs, all covered with genuine leather and a handsome library table. This has been done with the proceeds from the lecture course of the present year.

Through the generosity of Mr. S. P. Browning, President of the Board of Education, the room has received a magazine rack and is to receive a hat and cloak rack. Nearly every modern school building is equipped with a "rest room," but I will venture to say that you will go a long way before you will find one more handsomely furnished than this one.

Through the kindness of Mr. Winslow Ball the schools have just received a magnificent framed picture of his "alma mater," the University of Virginia, which will grace the lower hall. J. W. BRADNER,

Superintendent of Schools.

Hatt's Catarro Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work.
